

TIGRIS™ MASTER KEY CYLINDER SYSTEMS

TIGRIS™ PREMIER3

Patented (2032) Master Key Cylinder

Tigris™ Premier3 is a range of master key cylinders ideal for use where high security and complex master keying are paramount. A long life patent to 2032 ensures maximum protection to prevent illegal key duplication. Tigris™ Premier3 contains a multi-profile key family and a complete range of cylinder types and sizes ensuring that Tigris™ Premier3 can cater for the very largest and complex of master key systems.

Premier3 has been successfully tested to highest requirements of BSEN1303:2015, BS3621:2007 A1:2009 and TS007 of the Door and Hardware Federation. Accredited to the requirements of EN15804, a Tigris™ Premier3 Environmental Product Declaration is available.
