

TIGRIS® MASTER KEY CYLINDER SYSTEMS

TIGRIS® PLUS

Non-Patent (Open Profile) Masterkey Cylinders

Tigris® Plus is a complete and extensive range of cylinder locks, ideal for use in systems that require keyholders to have free and unrestricted access to source keys locally. A complete range of cylinder types, sizes and features is available. Tigris® Plus has been successfully tested to the requirements of BSEN1303:2015 and BS3621:2007 A1:2009. Accredited to the requirements of EN15804, an Environmental Product Declaration is available.
