

## TIGRIS® MASTER KEY CYLINDER SYSTEMS

### TIGRIS® PREMIER3™

### Patent Protected (2032) Masterkey Cylinders

Tigris® Premier3™ is a range of master key cylinders ideal for use where security and functionality are required. A long life patent to 2032 ensures maximum protection to prevent illegal key duplication. Tigris® Premier3™ offers a multi profile key family across a complete range of cylinder types, sizes and features, catering for the very largest and complex of master key systems.

Tigris® Premier3™ has been successfully tested to highest requirements of BSEN1303:2015, BS3621:2007 A1:2009 and TS007 of the Door and Hardware Federation. Accredited to the requirements of EN15804, an Environmental Product Declaration is available.

- Patent protection to 2032
